

Rooted in Tradition ♦ Driven by Genetics ♦ Built on Family

# FALL PRODUCTION SALE

The Fall 2026 Production Sale is scheduled to take place on  
November 28, 2026.

This event will feature a wide array of top-quality genetics, highlighted by an impressive lineup of sires and progeny from distinguished donor females. With over 40 bulls, as well as select elite and commercial females available, this sale presents an excellent opportunity for breeders and buyers seeking to enhance their herds.
